**TO WHOM IT MAY CONCERN**

Please accept this recommendation as a professional endorsement and in favour of **TK's Institution of Occupational Health and Safety Park** as an outstanding supplier of **Occupational Health and Safety Training short Course for SHE Reps** to Botswana Meat commission-Maun Plant.

They offered us a comprehensive suite of training and qualifications in health, safety, and environmental management. The training institute equipped and educated our SHE Representatives with skills and knowledge to enable them to make a real difference in achieving better health and safety outcomes in the BMC workplace by reducing risks, make workplaces healthier and safer for everyone and improve long-term business performance.

**TK's Institution of Occupational Health and Safety Park** unique business qualities that stand it out from its competitors is its commitment to its customer's specified turnaround time and consistent communication. Their representation with relevance to their training services was always fair, courteous and above all, professional in every respect.

We therefore do not hold any reservation in recommending their service to any organisation / institution.

Thank you.

Yours Faithfully
